

_____ County

2017 NCFB Women's Program Award Application

The purpose of the County Women's Program is to encourage involvement, promote activities, and raise the visibility of Farm Bureau at the county level. It provides an opportunity for County Farm Bureau Women to create a more positive image of agriculture and Farm Bureau in the community.

This application is used for formal recognition at the state level of county activities. Please answer each question as completely as possible.

Entries are due in the State Office by October 20, 2017.

Scan and email completed application to countyawards@ncfb.org.
